# FLEET BOOST BILLING SERVICES

## Centralized Billing

- Statements sent to any or all shop and maintenance locations
- Invoices and statements can be paid by one location
- Enables corporate headquarters to process all transactions
- Allows one payment instead of hundreds

## Not-to-Exceed\*

- Fleets are never charged more than DTNA not-to-exceed nationwide pricing
- Fleet managers can negotiate lower prices with their sponsoring dealer

## Credit

- Qualifying fleets may receive a credit line to use at hundreds of locations in the U.S. and Canada

## Cross-Border Purchasing

- A single account can be used to purchase in both the U.S. and Canada
- Reduces complexity within the accounting function
- Allows a fleet to pay in their currency of choice

## Purchase Order Control Options

- Fleets can specify multiple purchase control requirements, such as unique purchase order formatting, the addition of unit numbers, VIN, and mileage
- Ensures fleets can track maintenance on a per-unit basis

## Invoice Dispute Management

- DTNA Parts Fleet Boost provides full dispute resolution
- File disputes online in real time
- Quick response times
- Transparency throughout entire dispute process

## Parts Spending Management

- Fleet parts purchasing data available at your finger tips
- No more emails or phone calls required
- Reports are customizable (sort, filter, group, etc.)
- Multiple export options available (PDF / XLS)

## Pre-Authorization For Repairs

- Pre-authorize common repairs and maintenance items
- Minimize downtime and disruptions for fleet managers

## OPTIMIZED SHOPPING EXPERIENCE

### SEARCH. FIND. BUY. DELIVER.

Excelerator<sup>SM</sup> is the ultimate e-commerce solution designed to streamline your parts ordering process; empowering you to search, find and buy parts for any make, model, and application.

#### Benefits of Excelerator include:

- Real time part availability of your dealer and DTNA Parts' distribution network
- Alternative product offerings and cross references
- Parts frequently bought together suggestions
- PartsProX - A modern digital parts catalog for Freightliner, Western Star, and Thomas Built Buses
  - Product lookup by VIN for DTNA vehicle
  - Interactive Bills of Materials (BOMs)
  - Detailed parts imagery and features

### ADDED BENEFITS BASED ON PROGRAM LEVEL:

#### VIP ONBOARDING:

The DTNA Parts Excelerator team will onboard your fleet locations and provide detailed training for your shop users.

#### CONNECT:

Tailored solutions enabling you to submit parts orders directly from your system to Excelerator where they are instantly dispersed to the fulfilling dealer.

#### PUNCHOUT:

Punchout puts the full power of Excelerator inside your system, allowing your fleet to shop without leaving your internal punchout capable system.

#### FLEET BENEFITS:

- Streamlined parts purchasing process as your fleets submit parts orders directly from your system
- Increased visibility of order volume, details, and status
- Control over parts spend, as orders are issued following your fleet's authorization processes
